VAYER'S

CHERRY PECTORAL

For the Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

Of all the numerous medicines extant, and some of them valuable for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it but those who have not, but who are afflicted with the above diseases, will find it to be a timely use, they are secure from the dangerous consequence of Coughs and Colds which neglected, ripen into fatal consumption. The Diploma of the Massachusetts Institute of Medicine, dated September 17th, 1851, also, the Diploma of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute of Medicine, has been given to the Cherry Pectoral, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the eminent Physician of the Port of City
ST. JOHNS, May 6, 1851.
Five years trial of your Cherry Pectoral, in my practice, has proven to me I forego from its composition, must be true, that it eradicates and cures the colds and coughs to which we in this section, are peculiarly liable.

I think the equal has not yet been discovered, and I know now a better remedy can be made for the distempers of the Throat and Lungs.

J. J. BURTON, M. D., F. R. S.
See what it has done on a wasted constitution, not only in the following cases, but in a thousand more. I must confess that I have never known a patient who has not been cured by it.

Dr. Ayer: In the month of July last I was attacked by a violent diarrhoea in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet. My diarrhoea continued, but was finally cured by your Cherry Pectoral. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I have never known a patient who has not been cured by it.

Yours truly, WILLIAM W. SMITH.
Near Elm, feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A cough and the alarming symptoms of consumption and reduced me too low to leave my bed. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I have never known a patient who has not been cured by it.
